of the 3rd Respondent and in turn the 3rd Respondent assured that, at present land is not available and will find out other lands and also advised that, wait for some time and it will be considered in future. Hence the petitioner waited and later the petitioner approached the Respondents and requested the Respondents and the Respondent No.2 and 3 orally instructed that, now the Respondent No.1 has passed G.O. and as per G.O. file one more application. Therefore, the petitioner has filed application for grant of land to the petitioner in view of the G.O., to the Respondent No.2 dated 28.07.2021 and same is received on 02.09.2015 along with all the required documents. It is further submitted that the Govt. land is available in Savalagi hobli in Sy.No.6 measuring 164 acres in Kuragod village Jamakhandi taluk. The true copies of the application, and RTC are herewith produced as Annexure F, F-1. But till today the Respondents have not passed any order and hence the petitioner needless to approach this Hon'ble court by filing this writ petition, in the ends of justice.

8. It is submitted that, in several cases this Hon'ble court was pleased to order to grant land to the Ex-Servicemen. The copy of the order in

W.P.No.146991/2020 is herewith produced and marked as Annexure-G.

9. That the Petitioner has no any other alternative and efficacious remedy except to approach this Hon'ble Court under Article 226 and 227 of the Constitution of India on the following among other grounds. The Petitioner has not filed any other Writ Petition against the same cause of action. This Writ Petition is not filed in the interest of public. It is submitted that no Appeal or Petition filed either past or present concerning any part of the subject of the dispute:

GROUND S

10. That the Respondent No.3 has passed order is illegal and contrary to the provisions of law and their own circular issued by the Govt. and material available on records. Hence the impugned order is liable to be set aside and grant land to the petitioner, in the ends of justice.
11. That the Respondents have not properly considered the application filed by the petitioner and Govt. Orders but without looking into properly and rejected the application is without application of mind and miscarriage of justice. Hence it is liable to be set

aside and grant land to the petitioner, in the ends of justice.

12. That the Respondent No.2 has passed an order is without verifying the G.O. dated 16.02.2019 and the said G.O. is very clear that, the who has landless soldiers and ex-servicemen should be granted land for their livelihood, but the Respondent No.2 passed an impugned order baseless and without giving any proper reasons is illegal, arbitrary, erroneous, and violative of natural justice and hence the same is liable to be set aside and grant land to the petitioner.

13. That the petitioner has no means to livelihood and hence the petitioner has filed a application and getting meager pension and this amount cannot be lead life and present cost of leaving is so higher side. On this point the Govt. has issued GO to the Soldiers and Ex-Servicemen to provide/grant land to the said persons. But the 3rd Respondent not at all considered this point and rejected and hence same is violative of principles of natural justice.

14. That the Respondent No.3 has rejected the application on ground that in the there is no govt. land is available and this Hon'ble court was pleased to order that, if the land is not available and then find

out at other places and should be granted, but these authorities are not following the orders of this Hon'ble court and straight away rejecting the applications is nothing but violative the court orders. Hence this is very serious issues and this Hon'ble court is required to interfere in this issue, in the ends of justice.

15. That the Respondent No.3 has rejected the application on ground that in the there is no govt. land is available and that only ground rejected the application is illegal and contrary to the GO Dated 16.02.2019. this finding is totally against the GO and in the GO is clearly stated that, if the land is not available in the said Hobli, then another Hobli's land can be granted and that alone ground application can not be rejected. Hence the order passed by the Respondent No.3 is illegal and liable to be set aside and granted land to the petitioner.

16. It is respectfully submitted that the petitioner has submitted documents with the application and Sy.No.6 and in this land is available of 164 acres of Govt. land and other lands also available, but that is not considered and rejected the application is erroneous and contrary to the material available on

record. Hence the impugned order is liable to be set aside and granted the land to the petitioner in the ends of justice.

17. That the Respondents have failed to consider the application with documents submitted by the petitioner and that has resulted in miscarriage of justice to the petitioner.

18. That the order passed by the Respondent No.3 is otherwise opposed to law and material available on record and hence same is liable to be set aside and granted land to the petitioner.

19. It is respectfully submitted that the petitioner may be permitted to urge additional grounds at the time of hearing in the ends of justice.
