It is further observed that the subject land fall within 3 kilo meters radius of Bidar Municipal Limits, therefore the grant made by the 2<sup>nd</sup> Respondent is contrary to Rule 10(iv) of Karnataka Land Grant Rules 1969 and proceeded to hold that the subject land is the forest land and not a revenue land and the provisions of Karnataka Land grant Rules are not applicable and therefore

7

proceeded to set aside the order of the Tahasildar issuing 'C' Form being Form No.7 dated 07.06.1994 in File No.RUG/CR-913/1993-94/2406 is in contravention of Sec.94A (4) and Sec.4(f) of Karnataka Land Revenue Act 1964 R/w Rule 108-I (1) (2) of Karnataka Land Revenue Rules 1966 and same is cancelled and the land is directed to be resumed and vested in the Government free from all encumbrances by directing the 2<sup>nd</sup> Respondent to make entries in the ROR as 'Forest Department, Government of Karnataka' in Bhoomi software vide Order dated 06.11.2023 in file No.REV/LND/CR-102/E/2023-24/2475. invoking the Writ jurisdiction on the following amongst the other grounds;

**GROUND S**

08. The Petitioner submits that the impugned Order passed by the 1<sup>st</sup> Respondent is contrary to the process known to law and the provisions referred to under Sec.94A of Karnataka Land Revenue Act and Rule 108 (I) of Karnataka Land Revenue Rules as said provisions are not applicable to the case on hand and the impugned Order passed by the 1<sup>st</sup> Respondent requires to be set aside in limine.
09. The Petitioner further submits the 1<sup>st</sup> Respondent authority was brought to the notice of the grant order issued by the 2<sup>nd</sup> Respondent after holding due enquiry by issuing certificate of Saguvali chit on 07.06.1994 and also produced the necessary documents to substantiate that the contention that the subject land is cultivable and Petitioner is in possession and cultivation of the same, and the subject land neither been notified U/s.4 of the Forest Act nor being a deemed forest, the impugned Order passed by the 1<sup>st</sup> Respondent by referring to the letter dated 17.08.1979 issued by the Tahasildar enclosing the list of 'C' & 'D' class lands allegedly transferred from the Revenue Department to the Forest

1

Department cannot be a basis to nullify the 'C' Formed issued based on the cultivation after lapse of more than 29 years from the date of grant, therefore the proceedings initiated by the 1<sup>st</sup> Respondent at the instance of 3<sup>rd</sup> Respondent is highly misconceived and is barred by limitation same requires to be set aside.

10. The Petitioner further submits that the 1<sup>st</sup> Respondent authority has referred to Rule 10 (iv) of the Karnataka Land Grant Rules to justify that the grant made within the radius of 3 kilo meters of Municipal limits by the Tahasildar Bidar is without jurisdiction. However, the 1<sup>st</sup> Respondent authority has failed to consider the fact as on the date of issuance of certificate of Saguvali Chit and as on the date of passing of the order of the Tahasildar confirming the grant in favour of the Petitioner the subject land was not within the prohibited limits. Therefore, the reasoning assigned by the 1<sup>st</sup> Respondent contrary to the records and requires to be set aside.

11. The copy of the interim order granted in Writ Petition

No.200072/2023 is produced herewith as

### Preamble

An enquiry was conducted regarding illegal land regularization and grant made in Government Forest land Survey No. 71 in favour of Rajamma w/o Ramanna to the extent of 02 acres situated at Amlapur village Tq. Bidar by violating Karnataka Land Revenue rules 1966, on the basis of report of Assistant Conservator of Forest Sub-Division, Bidar vide letter dated, 12-10-2023 by stating that the said land is a deemed forest as the Tahsildar Bidar handed over the said land to the Forest department vide letter 17-08-1979, as the said land falls in the C and D category i.e. it is uncultivable land. Notice was issued to the grantee Rajamma w/o Ramanna to enquire whether the said land illegally granted to them by violating Karnataka Land Revenue Rules 1966 in Government Forest land. The enquiry was conducted on 20-10-2023, 27-10-2023, 30-10-2023 and 03-11-2023. The grantee submitted their Written objections and also argued their case. Ample opportunity was given to them to put forth their argument and final hearing was done on 03-11-2023. Heard and perused their written statements, report of Assistant Conservator of Forest Sub-Division, Bidar and the records of the said land to determine the merits of this case.

### As per Assistant Conservator of Forest, Sub-Division Bidar:-

That the land Sy.No. 71 measuring 129 acres 04 guntas of village Amlapur was Government land belonging to Class 'C' and 'D', i.e. it was uncultivable land and said land was handed over to the Forest department by the Tahsildar Bidar dated 17-08-1979 and said land was declared as forest land. In the suit land, the Tahsildar Bidar without verifying documents in the year 1994, "C" Form was issued in the name of Rajamma w/o Ramanna

for the extent of 02 acres in the forest land vide certificate no. RUG/CR-913/93-94 dated 07-06-1994. Tahsildar Bidar before passing said granted land did not verify the documents and without intimating to the Forest department is against the law. **The Hon'ble Supreme Court of India in decisions in State of Karnataka and others Vs. I.S. Nirvane Gowda and others 15.7.2003;(2007) 15SCC 744**, wherein it is held that "..... when the lands were included in the Reserve Forest, The entries in the Revenue records were of no consequence and further, mere Saguvali Chits did not confer any title on the suit lands".

Therefore land grant made by Tahsildar Bidar in favour of Rajamma w/o Ramanna to the extent of 02 acres in land Sy.No. 71/\*/10 of village Amlapur is illegal and without authority therefore it is liable to be set aside and that the name of Forest Department may be entered in RTC of the suit land.

**As per grantee (Rajamma w/o Ramanna): -**

The government through the Tahsildar Bidar has granted the said land to the grantee Rajamma w/o Ramanna as per the provision of the Karnataka Land Grant rules 1969. Accordingly, the Tahsildar Bidar has issued the C-form i.e. Saguvali chit (Registration Certificate) no. RUG/CR-913/93-94 dated 07-06-1994. Thereafter, the name of the grantee started appearing in the RTC. The Forest department has simply filed an application for sanctioning the land in their name, without following the due process of law. The Forest dept. mentions that the said land is C and D category land, however, the said land is cultivable and hence, the land was granted under the act. The forest department has not explained that when the land was handed over to them in the year 1979, why have they not mutated the said land in their name for 44 years. The grantee is in actual physical possession and cultivation of the said land, and hence the petition filed by the Forest department may kindly be dismissed.

**My Conclusion:-**

On basis of report of Assistant Conservator of Forest Sub-Division, Bidar enquiry was conducted and the written objections and documents were filed by the grantee.

Perused the records and land Sy.No. 71 measuring 129 acres 04 guntas of village Amlapur was Government land belonging to **Class 'C' and 'D' i.e. uncultivable land** and said land was handed over to the Forest department in the year 1979 by the Tahsildar Bidar dated 17-08-1979. In the said forest land, an extent of 02 acres of land was granted to

Rajamma w/o Ramanna by Tahsildar Bidar vide certificate No. RUG/CR-913/93-94 dated 07-06-1994, it reveals that **land grant made in favour of aforesaid persons is in Forest land**. Further, the said land belongs to **Class 'C' and 'D', i.e. it was uncultivable land**. It is unclear how uncultivable land can be granted by the Tahsildar, which is against the act and the rules.

The provisions of Karnataka Land Revenue Act and Rule and Karnataka Land Grant Rules did not provide any authority to Revenue authorities for granting land in Forest /Tanks/ Lakes/ water bodies to any person. The Tahsildar Bidar through proceedings dated 07-06-1994, granted land without due application of mind. The land grant made by Tahsildar Bidar in the names of aforesaid persons in notified Forest land without authority. **Article 48-A of the Constitution of India**, which is a directive principle of State deals with protection and improvement of natural environment including forests, lakes, rivers and wild life, and to have compassion for living creatures. Bearing in mind the above, an expanded meaning to the expression '**forest**' has been given by the Hon'ble Supreme Court. It is in light of the above definition as well as bearing in mind Section 2 of the F.C. Act as well as Chapter II of the Act.

That the **Rule 10(iv) of Karnataka Land Grant Rules 1969** prohibits granting of land in the areas **lying within the within the radius of three kilometres of Municipal Limit**. That land under enquiry i.e. Sy. No. 71 of village Amlapur fall within the radius of three kilometres of Bidar Municipal Limit. Before granting Tahsildar, Bidar did not conduct a proper inquiry and granted the said land.

The said land is **Forest land, not Revenue Land**. That provisions of Karnataka Land Grant Rules did not provide any authority to Revenue authorities for granting land to person which is notified under the provisions F.C. Act. The Tahsildar Bidar illegally without authority granted by exercising extra ordinary authority by **violating the provisions of Karnataka Land Revenue Act, 1964 and Rules 1966, Section 94-A (4) and (4) (f) read with Rule 108-I(1) and (2)**, it shows negligence and irresponsibility in duty of Tahsildar Bidar.

I am of the considered opinion that the land grant made in land Sy. No. 71 of the village Amlapur has been found to be absolute in violation of provisions and Karnataka Land Revenue Act and rules 1966.
