The petitioner further submits that, the Respondent University issued the Notification Dated: 03-06-2017 notified the vacancies to fill the post of Associate Professor. The University published eligible candidate and called the interviews based on the merit in ratio of 1.5 as per regulations. The statutory selection committee consisting of experts not below the rank of professor and chancellor nominee and representative, they conducted the interview and selected the best candidate as per score card, and placed before the board of Management (Competent Authority). The Board of Management after detailed examination of the recommendation of the selection committee unanimously accepted the recommendation made by the selection committee and appointed the petitioner as an Associate Professor in the Respondent University. 3. The Petitioner submits that, after the appointment of the petitioner, the Petitioner was working satisfactorily without there being any allegations. The Petitioner further submits that, the Appointment order itself indicates that, the probation period is one year from the date of joining. The Petitioner has now completed 4 years of service as an Associate Professor. Now the Petitioner is fully eligible and qualified to be appointed as Professor in the Respondent University.
4. The Petitioner submits that, after completion of one year of service at the Respondent University, the Petitioner made many oral requests to the Respondent University to declare the probation period since, the Petitioner has completed

5

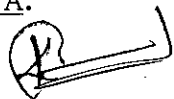

more than four years of satisfied service in the Respondent University.

5. The Petitioners submits that, as per the procedure of the University the Petitioners submitted the work done report to the University through the proper channel for declaring probation. A copy of covering letter addressed by the Petitioners are produced herewith and marked as **Annexure D**.
6. The Petitioner submit that, the Respondent University as not has declared the probation of the petitioner nearly for more than four years. In this regard the Petitioner enquired with the Respondent University and University oral stated that, they have received the complaint against the illegal appointment of the some of the candidates for that the reasons University wanted to conduct enquiry. Therefore, till completion of the said enquiry the University may not in be position to announce the probation of the Petitioner.
7. The Petitioner submits that, the Petitioner has continuously regularly given the representations requesting to discharge the probation of the Petitioner. The Petitioner further submits that, along with petitioner more than 90 persons were appointed as Assistant and Associate Professor. It is appropriate to state that, the University has declared the probation of all the persons who are appointed along with petitioner, but the University has not taken any action to declare the probation of the Petitioner. A copy of one of the probation orders of other employees is produced herewith and marked as **Annexure E**
8. The Petitioner submits that, the Respondent University called the necessary applications from the eligible candidates to be promoted to the post of Professor under the CAS (Carrier Advancement Scheme) 2006 Scheme. The copy of the application letter submitted by the Petitioner is produced herewith and marked as **ANNEXURE-F**.

- 6
9. The Petitioner submits that, in the meantime, the University on 07.09.2021 called the necessary application from the eligible candidate for the promotion to the post of Professor. However, even though the Petitioners are fully eligible and qualified to the post of Professor, their name was not included in the list of eligible candidates for the Professor under CAS, 2006. Therefore, the Petitioners were denied the eligible promotion in the year 2021. Dr. M. C. Rafee, Dr. S. S> Karabhantanal, Dr. G. Somanagouda, Dr. Suma Mogali who are the juniors to the Petitioner were promoted in the year 2021 itself. A copy of the eligible list announced by the University is produced herewith and marked as **Annexure-G**. The Petitioner have submitted their work done report, which is remarked as satisfactory by the controlling officers for the declaration of probationary period.
10. The Petitioner further submits that, the Appointment Order itself indicates that the probation period is one year from the date of joining. The Petitioner further submits that, based on the proceedings of the Board of Management, UAS, Dharwad dated 07.04.2022 the 2nd Respondent declared the probation of the Petitioner as on 02/02/2019 by an order dated 29/09/2022 with a certain conditions viz.
- a. **Fact Finding Committee Report constituted by the university to examine the Specific complaints received with respect to the recruitments made in the University during the period 2015 to 2017, after obtaining legal opinion.**
 - b. **Taking cognizance of the Board item 42.30 dated 25.06.2018 and the grounds mentioned for withholding Probation of programme Coordinators, Registrar seek the legal opinion before declaring Probation.**
 - c. **Probation may be declared subject to W. P. No. 107537/2018, W. P. No. 103470/2021, W. P. No. 107540/2017,**

It is pertinent to note here that, the declaration of the probationary period cannot be a conditional one. Therefore, the imposition of the conditions in the probationary order is unsustainable in the eye of law and same is arbitrary. A copy of the declaration of the probationary period is already produced at Annexure A.

11. The Petitioners submits that, consequently, the Respondent University revised the pay scale. However, revising the said pay scale is also subjected to the conditions imposed in the order dated 07.01.2023. A copy of the order, Dated: 07.01.2023 is produced herewith and marked as **Annexure H**
12. The Petitioner submit that, the Petitionerhas submitted the representation to consider the case of the Petitioner for the promotion. A copy of the representation given by the Petitioneris produced herewith and marked as **ANNEXURE-J.**
13. The Petitioner submit that, the University without publishing the eligible candidate list for the interviews to the post of Professor under CAS, 2006, now the University has proceeded to give the promotion to the juniors, who are appointed subsequent to the Petitioner. In this regard, the Petitioner reliably learnt that, no list was published and now they are conducting interview for the promotion to the post of Professor under CAS scheme on 14/02/2023 and also learnt that, they scheduled the meeting of Board of Management for effecting the said promotion in the ensuing meeting of Board of Management. Therefore, to deny the legal right even after declaration of the probation, the University has not considered the Petitioner for the promotion. When the University is effected the promotion in the year 2021, they have given a reasons that, since the Petitioner have not completed probation and they have not been given any annual increment for the said periods, therefore the Petitioner was ineligible for the promotion. A copy of endorsement, Dated: 27/11/2021 is produced herewith and marked as **ANNEXURE-K.**
14. The Petitionersubmit that, now the Petitioner's probation is declared by the University and also consequential financial pay fixation was done by the University by Order, Dated: 29.09.2022 and 07.01.2023 respectively, the Petitioner is

8

fully eligible and qualified to be considered his case for promotion as Professor under CAS (Carrier Advancement Scheme), 2006.

15. The Petitioner submit that, denial of the promotion by the University for more than two years is arbitrary and same is in violation of Article 15 and 16 of the Constitution of India.
16. The Petitioners submit that, the petitioner has not filed any other Writ Petition, or any other case before this Hon'ble case or any other Court. The Petitioner has no other alternative efficacious remedy other than filing the present Writ Petition. Hence, the present Writ Petition.

GROUND:

17. The non-inclusion of the petitioner's names in the eligible list for the promotion is illegal, void and arbitrary.
18. Non -consideration of the case of the Petitioner for the promotion is in violation of principles of natural justice.
19. The act of the RespondentUniversity in not declaring the probation as on 2019 itself, is arbitrary and same is in violation of Article 14 of the Constitution of India. The RespondentUniversityhas declared the probation of other candidates who are appointed along with the petitioner but denied the said benefits to the petitionerin the year 2019 itself without their being any reasons. Hence, the action of the RespondentUniversity is arbitrary.
20. **The Hon'ble Supreme Court in the State of Punjab Vs. Dharam Singh (AIR 1968 SC1210)** held that the effect of permitting the employee to continue in the post even on completion of the maximum period of probation without an express order of confirmation results in the only logical inference that he has been confirmed in the post by implication. Therefore, it is very much necessary to give

directions to the Respondent declare the order of satisfactorily completed probation.

21. The RespondentUniversity has adopted the KCSR, therefore the provisions of Karnataka Civil Service (Probation) Rules 1977 are applicable. As per the said Rules the Authority is bound to announce the declaration of satisfactory completion of Probationary, on completion of period of probationary. Hence, act of the RespondentUniversity is unsustainable and arbitrary.
22. The RespondentUniversity has adopted the hostile approach towards the Petitioner, the University declared the probationary of the other persons who are appointed along with the Petitioner. There is no complaint, allegations or any material or any reasons for not declaring the probationary. In the year 2019without any there being reasons the RespondentUniversity postponing the declaration of the probationary, which is illegal and violation of Article 15 & 16 of Constitution of India.
23. Imposition of the conditions in the order of the probationary is illegal and arbitrary. There cannot be conditional order of the probationary. The said conditions are imposed only to harass the Petitioner. Impositions of the said conditions are in violations of Article 14 and Article 16(1) of the Constitution of India.
24. In the view of arbitrary action on the part of RespondentUniversity the Petitioners names are not considered for the promotion of professor. The Petitioners is fully eligible and qualified to be promoted to the post of professor. Non- considerations of the Petitioner namefor promotion to the post of Professor is illegal and arbitrary and same is on violation of Article 16(1) of the Constitution of India as held by Hon Apex Court in the case of the **Ajay Kumar Shukla and Others v ArvindRai and Others 2021SCC Online 1195.**

- 10
25. The Respondent University has not given any reasons as to why the Petitioner name is not considered in the second round in the list of eligible candidates (not published) for interview to promote to the post of Professor. In the absences of any reasons the impugned list as well as the interview process is unsustainable.
26. The Petitioner submit that, because of arbitrary action on the part of Respondent University in not declaring the probation within the period. The Petitioner is suffering irreparable loss without fault of him. The Petitioner now they are not getting any benefits like making applications for other University, application for Higher Education,

GROUND FOR INTERIM PRAYER

27. From the above stated facts and grounds, it is very much clear that, because of the arbitrary action on the part of the Respondent University not to declare the probationary of the Petitioner along with other similarly situated candidate is arbitrary, The Respondent University arbitrarily not considered the name of the Petitioner for the interview for promotion to the post of Professor and same is scheduled and commencing from 14.2.2023 if the Petitioner is not permitted to attend the interview, then the Petitioner will lose the promotion as well as seniority and his juniors will be promoted. The balance of convenience is in favour of the Petitioner. If this Hon'ble Court refused to grant the interim order, the same will cause the hardship on the Petitioner. Therefore, interim order as prayed for.

PRAYER

Wherefore, it is prayed that, this Hon'ble Court may be pleased to:

- a) Issue appropriate writ, order or direction in the nature of mandamus directing the Respondent University to declare of the conditional probationary is illegal and violation of Article

11
16 of the Constitution of India and consequential strike down the Conditions imposed in the order of the probationary dated 29.9.2021 bearing number A Ka/C Sha-1/Aa Pa Go/1902-B/2022-23 (**Annexure-A**) issued by the 3rd Respondent.

- b) Issue appropriate writ, order or direction in the nature of mandamus with direction to the Respondent University to consider the name of the Petitioner for promotion to the post of the Professor and consequently promote the Petitioner to the cadre of Professor from the date the Petitioner eligible for promotion to the cadre of the Professor and consequentially grant all other benefits under the CAS (Carrier Advancement Scheme) 2006 Scheme.
- c) Grant such other relief, as this Hon'ble Court deem it proper, in the interest of justice and equity.

INTERIM PRAYER

Pending disposal of the writ petition, the Petitioner respectfully pray this Hon'ble Court, this Hon'ble Court may be pleased to direct the Respondent No.2 University to consider the case of the Petitioners for the promotion to the post of Professor by permitting the Petitioner to attend the interview commencing from 14/02/2023 or any other date fixed by this Hon'ble Court before the Board of Management of the University to effect the above said promotion, in the interest of justice and equity.
