<u>Date</u>	<u>Events</u>
11/11/2014	: The Tahsildar Mysore Taluk has addressed a letter to the Commissioner Mysore Urban Development Authority Mysore to take appropriate action to cancel the license issued to the 9 th Respondent Society approving the Layout plan on the 1-00 Acre of government land encroached by the 9 th Respondent Society. (Annexure-A). The Taluka Surveyor has drawn the Report on 5/11/2014 disclosing the encroachment of 1-00 Acre of government land (Sarkari Oni) by the 9 th Respondent Society in the guise of forming private layout.
22/11/2014	: News Paper published the encroachment of government land by Police Layout (Annexure-G).
04/12/2014	: The Mysore Urban Development Authority submitted had drawn the Report regarding the encroachment of government land by the 9 th Respondent Society.
12/12/2014	: The Response given by the Revenue Department to the star mark question No: 1841 raised on the floor of the Karnataka Legislative Assembly. It is mentioned that 1-00 Acre of

government land encroached by the Karnataka Police Gruha Nirmana Sangha and the Layout Plan was illegally approved by the Mysore Urban Development Authority (Annexure-D)

15/12/2014 : The Additional Deputy Commissioner, Mysore District directed the Tahsildar Mysore to clear the encroachment on government land and to submit the Report (Annexure-E).

16/12/2014 : The Tahsildar with the help of the Taluka Surveyor and Village Accountant conducted the Spot Inspection and cleared the encroachment made by the 6th Respondent on government land and Sarkari Oni and put up the Board displaying the fact that the land belongs to the Government. Same was reported to the Deputy Commissioner. (Annexure-F).

8/11/2019 : This Hon'ble Court disposed of the Writ Petition No: 22328/2016 filed by the 9th Respondent Society. The Respondent Society challenged the notice of cancellation of license issued by the Mysore Urban Development Society on 18/5/2015 based on the Report drawn by the MUDA and the Revenue Authorities and also sought for a direction to remove the Board put up by the Tahsildar. In the said Writ Petition Mysore Urban Development Authority filed the Affidavit withdrawing the Notice of cancellation of license seeking liberty to take appropriate action as regards the encroachment of the government land after the affording opportunity to the society. This Hon'ble Court reserve liberty to the

Respondent State to take action in the case is made out to recover the land encroach by the Respondent Society and to take necessary action to protect the interest of the government pending initiation of the proceedings U/s 67 of the Land Revenue Act. (Annexure- J) However the Respondent Society continued with the encroachment of Government Land and the Respondent Authorities turned blind eye despite the protest made by the public. Inaction, dereliction of duty, negligence on part of the Respondent Authorities to discharge the duties resulted in encouraging the encroachment and grabbing of government land by the Respondent Society.

BRIEF FACTS

The Petitioners are the residents of Lalithadripura Village. This Public Interest Litigation is filed as a mode of collective and committed effort on part of the Petitioners and the Respondents Authority to protect 1-00 Acre of government land encroached upon by the 9th Respondent Society. The Revenue Authorities have drawn the Report and came to the conclusion about encroachment of land by the Respondent Society while forming the layout. The Mysore Urban Development Authority issued the Notice for cancellation of the license and the Respondent Society challenged the same before this Hon'ble Court in W.P No: 22328/2016. With an intention to afford an opportunity to the Respondent Society the Mysore Urban Development Authority filed an

Affidavit before this Hon'ble Court withdrawing the cancellation notice seeking liberty to take appropriate action as regards the encroachment of the government land. Till date the Mysore Urban Development Authority has not taken any action and on other hand taking advantage of the political pressure, money power and muscle power the Respondent Society continued the encroachment of government land. This Hon'ble Court directed the Revenue Department to take appropriate action pending initiation of the proceedings U/s 67 of the Land Revenue Act. Till date the Revenue Authorities have not taken any action to protect the government land. The Report drawn by the Revenue Authorities clearly disclose the encroachment on 1-00 Acre of government land and Sarkari Oni by the 9th Respondent Society. In these circumstances, the Petitioners are seeking necessary direction to protect the government land and to avoid continuation of encroachment by changing the nature of the land, putting up construction and creation of third party interest. Hence, this Petition.

MEMORANDUM OF WRIT PETITION FILED UNDER
ARTICLE 226 & 227 OF THE CONSTITUTION OF
INDIA

The petitioners aforementioned most respectfully
submit as follows:

1. The Petitioners are the permanent residents of Lalithadripura Village, Mysore Taluk. This Public Interest Litigation is filed as a collective and committed effort on part of the Petitioners to curb organized attempts on part of the Respondents to grab the land belonging to government which is known as Sarkari Oni (Government Road) measuring about 33 feet wide which connects Lalithadripura Village to the agricultural land and passing through Sy.Nos: 87, 88, 89, 81, 78, 86, 82, 83 of Lalithadripura Village, Varuna Hobli, Mysore Taluk more fully described in the sketch prepared by the Tahsildar Mysore Taluk. The 9th Respondent Housing Society, misusing the name "Police" indulged in encroaching upon the said Government Road by creating fabricated documents and setting up fictitious claim with an intention to grab the government land and to make profit. The other Respondent Authorities are not in a position to control unlawful activities of land grabbing despite being aware of the organized attempt on part of the 9th Respondent and the officers of Mysore Urban Development Authority and the Revenue Officers was brought to the notice of the responsible Respondent Authorities. Taking advantage of the situation the 9th Respondent colluding with, and with the support of the Revenue Officers, are continuing with the encroaching activity and as such it is necessary and expedient to curb immediately such unlawful activity of land grabbing

- and illegal encroachment by issuing necessary directions to the Respondent Statutory Authorities.
2. The Petitioners submit that, the President of the 9th Respondent Society representing the Society and in his individual capacity is involved in Land grabbing and encroachment and is giving financial aid to put up unauthorized structures on the Government Land. The Respondent Statutory Authorities and more particularly the officers in MUDA, Tahsildar Mysore and Deputy Commissioner Mysore became mute spectators for the gross illegalities; irregularities crept and thus became part of the encroachment and land grabbing activity. The 9th Respondent Society is not lawfully entitled to encroach upon and to mention the Public Road as part of its Layout Plan and forming the Sites on the Road.
 3. The Urban Development Authority and the Revenue Departments are bestowed with the statutory duties and responsibilities to protect and safeguard the government land and to take necessary action to avoid encroachment and land grabbing. The 9th Respondent Society and its President are continuously putting their effort and are involved in unlawful encroachment of the government road. The Petitioners' bonafide effort is to convince and compel the Respondent Statutory Authorities to take immediate action for protecting the public road from illegal encroachment at the instance of 9th Respondent Society and the Petitioners are

approaching this Hon'ble Court after collecting necessary and relevant information from media, general public and records of the Respondent Authorities. The Petitioners crave leave of this Hon'ble Court to produce further necessary material, information as and when required. For the effective adjudication of the Writ Petition the Petitioners pray that this Hon'ble Court may be pleased to call for records from the office of the Deputy Commissioner Mysore District and also from the office of the Commissioner, Mysore Urban Development Authority.

4. It is respectfully submitted that on previous occasion considering the protest made by the General Public and Report submitted by the Government Land Protection Force regarding the encroachment of Rs.4 lack Acres encroachment on government land in Mysore Division, the Deputy Commissioner of Mysore District directed the Tahsildar to conduct enquiry.
5. The Petitioners submit that, the Tahsildar Mysore Taluk submitted the Report to the Commissioner and Mysore Urban Development Authority on 11/11/2014. The Communication addressed by the Tahsildar Mysore is herewith produced and marked as **Annexure-A**. The subject matter of the said Letter pertains to the encroachment on public road and the illegal approval of the Layout Plan. The Tahsildar has specifically mentioned that the Taluka Surveyor has submitted a Report on

5/11/2014 along with the Map which clearly displays the government land passing through Sy.No.76, 77, 78, 81., 82, 83, 86, 88 & 89 of Lalithadrapura Village and the said land is classified as 'B' Kharab as per Karnataka Land Revenue Act. It is also mentioned that about 1.00 Acre of Land on the said government road has been encroached by the Karnataka Police Gruha Nirmana Sahakara Sangha and the MUDA has approved the Layout Plan. It was specifically mentioned by the Tahsildar that the officers of MUDA have illegally approved the Layout plan without verifying the original records. The Tahsildar requested the MUDA to cancel the approval of Layout Plan and to take appropriate action against the officers of MUDA and the office bearers of 9th Respondent Society. Copy of the sketch prepared by the Revenue Departments after conducting spot inspection is herewith produced and marked as Annexure-B & C.

6. The Petitioners most respectfully submit that the hand in glove activity for encroaching the government land by the 9th Respondent Society and the officers of Mysuru Urban Development Authority was raised before the floor of the house and a copy of the response given by the Tahsildar for answering the star marked question no: 1841 on the floor of Karnataka Legislative Assembly is herewith produced and marked as **Annexure-D**. The response of the Revenue Department is that the "Sarkari Oni" (government land), to have excess to

agricultural land is classified as "B" Kharab as per the Karnataka Land Revenue Act and the same permanently belongs to the State Government. It was further mentioned that about 1-00 Acre government land has been encroached upon by the Karnataka Police Gruha Nirmana Sahakara Sangha and illegal approval has been given by the Mysore Urban Development Authority to the Layout Plan and as such Letter was issued to cancel the approval and to cancel the approval.

7. The Additional Deputy Commissioner Mysore District wrote a Letter to the Tahsildar on 15/12/2014 to clear the encroachment and to submit the Report to the office of the Deputy Commissioner. In fact the Additional Deputy Commissioner has also relied upon the Report submitted by the Mysore Urban Development Authority regarding the encroachment of government land by the 9th Respondent Society. The copy of the Letter, inter alia, dated 15/12/2014 addressed by the Additional Deputy Commissioner, Mysore District is herewith produced and marked as **Annexure-E**. Accordingly, the Tahsildar has conducted the spot inspection on 16/12/2014 and after taking measurement, has cleared the encroachment and put up the Board. A copy of the Report dated 16/12/2014 submitted by the Tahsildar Mysore to the Deputy Commissioner, Mysore District is herewith produced and marked as **Annexure-F**. Thus the said Letter clearly

discloses the factual matrix pertaining to the illegal encroachment of government land by the 9th Respondent Society and the illegal approval given by Mysore Urban Development Authority. Copy of the Paper Publication "Andolana" dated 22/11/2014 is herewith produced and marked as **Annexure-G**. The Petitioners are herewith producing the photo copies which depict the Board put up by the Tahsildar Mysore, and the same is marked as **Annexure-H**.

8. It is respectfully submitted that, 9th Respondent Society has created false and fabricated documents to make fictitious claim to continue with grabbing and encroachment of government land. In fact the Petitioners came to know that the office bearers were putting threat to the officers in Planning Department and Revenue Department in the guise of police force by misusing the word "Police". In fact the encroachment is by a private layout which is nowhere concerned with the governments work. The Petitioners came to know that due to the pressure mounted by the general public and the letter issued by the Revenue Authorities the Mysore Urban Development Authority had taken the initiative as an eye wash to cancel the license issued on 18/5/2015 bearing No: MyNaPra:NaYoSha: PraPraPa: NaYo 11936/2014-15 issued by the Town Planning Member, Mysore Urban Development Authority. The Notice of cancellation was intentionally issued without affording opportunity to the 9th Respondent Society. This was in furtherance

of the collusive act and conspiracy between the office bearers of 9th Respondent Society and the officers in Mysuru Urban Development Authority. The Petitioners came to know about the Writ Petition No: 22328- 329 of 2016 filed by the 9th Respondent Society challenging the notice of cancellation of license issued on 18/5/2015 and in the said Writ Petition the 9th Respondent Society had also sought for direction to the Tahsildar to remove the Board put up on the land. Copy of the Order dated 8/11/2019 passed by this Hon'ble Court in WP No: 22328-329/ 2016 is herewith produced and marked as **Annexure-J**. During the pendency of the Writ Petition, the Mysore Urban Development Authority had filed an Affidavit withdrawing the Notice of cancellation of license and sought liberty to take appropriate action as regards the encroachment of government land. Taking note of the said submission and affidavit this Hon'ble Court by an Order dated 14/12/2018 observed that the first prayer cancellation of the license does not survive for consideration. However, with regard to the second prayer to remove the Board put up by the Tahsildar Mysore after conducting spot inspection and drawing the Report, this Hon'ble Court directed to initiate the proceedings U/s 67 and to take further action. Pending initiation of the Proceedings U/s 67, the Tahsildar Mysore was directed to remove the Board.

9. It is respectfully submitted that even though the Order was passed on 8/11/2019, till date the Revenue Authorities and the Mysore Urban Development Authorities did not take any action; and on the other hand, taking advantage of the situation, inaction, dereliction of duty on part of the statutory authorities, the Respondent society continued with the encroachment of government land.
10. It is respectfully submitted that, there are no hurdles either legal or factual for the Respondent Authorities to protect the government land and to take necessary action to avoid continuation of encroachment and land grabbing. In fact on 22/12/2014 the general public in Mysore Taluk appreciated the action taken by the District Administration in clearing the encroachment on government land and a copy of the Letter addressed to the Deputy Commissioner is herewith produced and marked as **Annexure-K**. It is respectfully submitted that in view of the Report drawn by the Revenue Authorities which remained unchallenged, it was the duty cast upon the Revenue Authorities to clear the encroachment. The Petitioners put their sincere committed effort by approaching the MUDA and Deputy Commissioner to take immediate action to clear the encroachment and to avoid further developments on the encroached land by the 9th Respondent Society.

11. It is respectfully submitted that the Order passed by this Hon'ble Court in W.P No: 22328 of 2016 will not be a hurdle for the Respondent Authorities to discharge their statutory duties and in fact this Hon'ble Court insisted upon the Respondent Authorities to take necessary action as permissible under law to protect the government land pending initiation of proceedings and the liberty was reserved in this regard. Mere technicality involved cannot be a good ground for the Respondent's society to continue the encroachment on the government land. Making use of the political power, muscle power and corrupt practice, the Respondent Society is continuing with the encroachment and the District Administration has turned blind eye and stood as a mute spectator.
12. It is respectfully submitted that, Mysore Urban Development Authority has not taken any steps as per the undertaking given before the Hon'ble Court. The Petitioners could not get any response from the office of the MUDA and also from the office of the Deputy Commissioner regarding the committed effort on their part to clear the encroachment after the order came to be passed in W.P No: 22328/2016. In these circumstances, the Petitioners are approaching this Hon'ble Court with bonafide intention to clear the encroachment on and grabbing of 1-00 Acre of government land.
13. It is respectfully submitted that, the Respondent Society has not placed any material before the

authorities to rebut the presumption with regard to the land grabbing.

14. In these circumstances, the Petitioners being left with no other alternative and efficacious remedy are approaching this Hon'ble Court on following among other grounds.
15. The Petitioners have not filed any other Petition on the same cause of action before this Hon'ble Court and no such petition filed by the Petitioners is pending consideration before this Hon'ble Court.

GROUNDS

16. In furtherance of the Report drawn by the government land protection task force and the protest made by the general public the Deputy Commissioner Mysore District directed the Tahsildar Mysore to conduct Spot Inspection and draw the Report with regard to the encroachment and grabbing of 1 acre of government land namely Sarkari Oni in Lalithardripura Village by the 9th Respondent Society. The Report drawn by the Tahsildar and Mysore Urban Development Authority clearly discloses the encroachment of 1 acre of government land by the Society and also the illegal approval of layout plan by the Mysore Urban Development Authority. The Tahsildar Mysore Taluk has cleared the encroachment and put up the Board declaring the government land.
17. This Hon'ble Court by an Order dated 8/11/2019 granted in W.P No: 22328/2016 reserved liberty to

the Respondent State to take action if the case is made out to recover the land and clear encroachment by the Respondent Society and to take necessary action to protect the interest pending initiation of proceedings as per law.

18. The MUDA has filed an affidavit before this Hon'ble Court reserving liberty to take appropriate action as regards the encroachment of government land by affording opportunity to the Society for cancellation of the License dated 18/5/2015. Inaction, dereliction of duty, negligence on part of the statutory authorities in not taking any action to clear the encroachment of the government land measuring 1 acre is contrary to the scheme of enactment of Karnataka Land Revenue Act and also the Land Grabbing Prohibition Act. There were no justifiable and acceptable causes, reasons for the Respondent Authorities not to act against the encroachment on government land. This is against the public interest and the Petitioners' bonafide effort and endeavor is to protect the government land from encroachment and land grabbing. Mere technicalities cannot be a good ground when the Revenue Department has responded on the floor of the house about the illegal encroachment of government land by the 9th Respondent Society.
19. As per the records the government land has been encroached upon by the society and there is an absolute restriction for alienation of the land. There is intentional encroachment by the Respondent

Society on the government land. The Respondent authorities are hesitating to discharge their statutory obligations while taking necessary action against the Respondent Society with regard to the encroachment on government land.

20. MUDA has not taken any further necessary action in furtherance of the Undertaking given before this Hon'ble Court with regard to the cancellation of the Layout Plan.

21. **GROUND FOR INTERIM RELIEF**

The Petitioners submit that the Reports drawn by the Revenue Authorities in furtherance of the Report of the Government Land Protection Task Force clearly disclose the intentional encroachment and grabbing of government land measuring about 1 acre by the Respondent Society. The Report drawn by the Mysore Urban Development Authority and the Revenue Officers resulted in putting up of Board on the encroached land. However, the Mysore Urban Development Authority did not take any action towards cancellation of the Layout Plan as per the Undertaking given before this Hon'ble Court and on the other hand inaction on part of the Deputy Commissioner and Mysore Urban Development Authority resulted in encouraging the Respondent Society to continue with encroachment and enjoyment of the government land without any authority. In these circumstances, this Hon'ble

Court may be pleased to direct the Deputy Commissioner Mysore to take immediate action to avoid continuation of encroachment on the government land by the 9th Respondent Society.

PRAYER

Wherefore, in the facts and circumstances submitted above, the Petitioners most respectfully pray that, this Hon'ble court may be pleased to call for records and:-

- (i) To call for records from the office of the 3rd Respondent - Commissioner, Mysore Development Authority, 7th Respondent - Deputy Commissioner, Mysore District and 8th Respondent - Tahsildar, Mysore Taluk pertaining the action taken on illegal encroachment of 1-00 acre of government land by the 9th Respondent's society in Lalithadripura Village, Varuna Hobli, Mysore Taluk.
- (ii) To Issue Writ, Order or direction in the nature of mandamus directing the 7th and 8th Respondents to clear the encroachment of 1 Acre of land on the government road passing through Sy.No: 76, 77, 78, 81, 82, 83, 86, 87, 88 & 89 in Lalithadripura Village, Varuna Hobli, Mysore Taluk.
- (iii) Issue Writ, Order or direction in the nature of mandamus directing 3rd, 7th and 8th Respondents to ensure that the government land (Sarkari Oni) (measuring 33 feet in width) passing through Sy.No: 76, 77, 78, 81, 82, 83, 86, 87, 88 & 89 in Lalithadripura Village, Varuna Hobli, Mysore

Taluk is free from any sort of encroachment and unauthorized constructions. .

- (iv) To pass such other orders or directions as this Hon'ble Court deems fit in the facts and circumstances of the case including an order as to the cost of this Writ Petition, in the interest of justice and equity. .

INTERIM PRAYER

Pending disposal of the above writ petition, this Hon'ble Court may be pleased to direct the 3rd, 7th and 8th Respondent Society from further encroachment or any activities including alteration, construction on the government road (Sarkari Oni) measuring 1 -00 Acre passing through Sy.No: 76, 77, 78; 81, 82, 83, 86, 87, 88 & 89 in Lalithadripura Village, Varuna Hobli, Mysore Taluk, in the interest of justice and equity.

OFFICE OF TAHASILDAR, MYSURU TALUK, MYSURU

No: T:LND(2)P.R 22/14-15

Dated: 11-11-2014

To:

The Commissioner,
Mysuru Urban Development Authority,
Mysore District.

Respected Sir,

Sub:- Regarding encroachment of Government road between Sy.Nos: 76,77,78,81,82,83,86,87,88 & 89 of Lalithadripura Village, Varuna Hobli, Mysuru Taluk and getting sites issued and getting the housing plans approved on the same.

Ref:-

- 1) Complainant Letter of Sri B.N Nagendra dated 3/9/2014.
- 2) Report of Government Taluk Surveyor dated 5-11-2014.

One Sri B.N Nagendra has complained to this office that Karnataka Police Employees House Building Co-operative

25

Society has encroached upon the road leading from the village to the fields situated between Sy.Nos: 76,77,78,81, 82, 83, 86, 87,88 & 89 of Lalithadripura Village, Varuna Hobli, Mysuru Taluk. This office had directed the Taluk Surveyor to submit Survey Report to ascertain the veracity of this complaint. The Taluk Surveyor has submitted the Report along with the Map as mentioned in Reference (2). As found in the survey report the area situated between Sy.Nos: 76,77,78,81, 82,83,86,87,88 & 89 of Lalithadripura Village, is a government road leading from the village to the fields in accordance with the Village Map and the original documents of survey. This land belonging to the Government is 'B' Kharab under Section 67(1) of Karnataka Land Revenue Act 1964 and is non-alienable.

But as has been found in the survey, the Karnataka Police Employees House Building Co-operative Society has encroached upon about 1-00 acre of this land and has submitted Layout Plan to the Planning branch of Mysuru Urban Development Authority for approval. The Authorities of the Planning branch have approved the Layout Plan in this

-96-

1-00 Acre land without considering the Original Revenue Records.

Likewise, approval from the Commissioner of Mysuru Urban Development Authority for the Layout Plan has been obtained on 29/12/2012 in this Government Land of about 1-00 Acre area illegally. Thus, in this 1-00 acre of government land which has been illegally encroached upon more than 20 sites have been created, distributed and Kathas have been obtained by the MUDA.

Therefore, more than 1-00 Acre of government land which had to be reserved for public purpose has been encroached upon and sites have been created in it and the actions of the officers cooperating with this are punishable under Section 192(A) of Karnataka Land Revenue Act. Hence, it is prayed that the Layout Plan related to the encroachment of the government land as approved by the MUDA be cancelled and the officers of Mysuru Urban Development Authority and Police Employees House Building Co-operative Society who have involved in these illegal activities be punished in accordance with law.

Respected Sir,

Ref:-

1. Your Office Letter No: LND(2)PR 22/2014-15 dated 11.11.2014
2. Report of Commissioner, Mysore Urban Development Authority dated 4.12.2014 in No: MUDA/NaYoSha/NaYo/ 01/2014-15.

With regard to the matter raised in your Letter dated 11/11/2014 in relation to the complaint that the Karnataka Police Employees House Building Co-operative Society has encroached upon the government road between Sy.Nos: 76,77,78, 81, 82,83,86,87,88 & 89 of Lalithadripura Village, Varuна Hobli, Mysuru Taluk and that the Housing Layouts have been created, the said area has been inspected and survey map has been prepared by Taluk Surveyor. As found in the survey report the area situated between Sy.Nos:

(39)

76,77,78, 81, 82,83,86,87,88 & 89 of Lalithadripura Village, Varuna Hobli, Mysuru Taluk is a government road leading from the village to the fields in accordance with the Village Map and the original documents of survey. This land belonging to the Government is 'B' Kharab under Section 67(1) of Karnataka Land Revenue Act 1964 and is non-alienable.

As per reference (2) in the Letter dated 4/12/2014 the Commissioner of Mysuru Urban Development Authority has also reported that the said Housing Layouts have been created by encroaching upon the said Government road.

Since the illegal encroachment upon the government owned land in the above mentioned survey numbers has been confirmed in your Letter and also in the Letter of Commissioner of MUDA, it is directed that the said encroached land be immediately cleared of all encroachments immediately as per the Rules and a Report be submitted to this office.

**THE POLICE SWALLOWED
GOVERNMENT LAND**

**Incident in Lalithadripura: Tahsildar's Report to
the Deputy Commissioner**

- Incident brought to light by R.T.I activist Nagendra.
- Government road is converted into sites.
- 20 sites in that government land sold to members of the society.
- MUDA officers suspected to be involved in the case.
- Ball in the court of Deputy Commissioner and MUDA officers.

U
Mysuru, Nov 21 - What if the Police themselves turn out to be land grabbers.... ? Such a case has come to light in the city where about an acre of govt. B-Kharab

land has been swallowed by a Police House Building Society.

This illegality has occurred in a layout formed by Karnataka Police House Building Society in Lalithadripura Village of Varuna Hobli of Mysuru Taluk, and a Police Officer who has built a luxury house in a site in this layout is going to face difficulty.

An R.T.I activist B.R Nagendra has brought these illegalities to light by gathering documents.

The Society which has converted the Survey Numbers- 78, 82, 83 and 88 of Lalitadripura village of Mysuru Taluk into sites, has already distributed these sites among its members. Surprisingly, the Society has grabbed government land by including a government road which was situated between these survey numbers into their map. The Society has already distributed more than 20 sites earned out of the grabbed government land among its members. A Police officer has built a beautiful house in one of such sites.

According to the rules of the government, the government road must be reserved for the purpose of public use. But this society has knowingly swallowed the government land worth over Rs.10 crores.

Ironically enough, most of the members of this Society had been Police Personnel.

It is suspected that the officers of MUDA are hand on glove with the Society in these illegalities. MUDA has approved the blue print (map) of the layout in a haste, without examining the map relating to this land or any other documents.

Apart from that, it has been found in the documents that the MUDA officers have also issued Khatas for the sites. Responding to the complaint submitted by Mr. Nagendra about these illegalities, the Tahasildar Mr. Naveen Joseph has reported to the Deputy Commissioner and the officers of MUDA, requesting the take appropriate actions after examining the concerned documents.

THIS WRIT PETITION IS FILED UNDER ARTICLES 226 AND 227 OF THE CONSTITUTION OF INDIA PRAYING TO QUASH THE IMPUGNED NOTICE OF CANCELLATION OF LICENSE DATED 18.05.2015 VIDE ANNEX-K.

THIS WRIT PETITION COMING ON FOR FINAL HEARING, THIS DAY THE COURT MADE THE FOLLOWING:

ORDER

The petitioner which is a house building cooperative Society registered under the provisions of the Karnataka Cooperative Societies' Act had filed petition seeking quashing of the impugned notice of cancellation of license dated 18.05.2015. The other relief was also sought in the nature of

issuance of writ of mandamus to direct the Tahsildar to remove the board put up on the land belonging to the petitioners. After notice was issued to the contesting party, the respondents - Development Authority had filed an affidavit stating that they were withdrawing the impugned notice dated 18.05.2015 reserving liberty to take appropriate action as regards the alleged encroachment of government land. Taking note of the said submission and the affidavit, this court by order dated 14.12.2018, has observed that the prayer sought for cancellation of license dated 18.05.2015 does not survive for consideration.

2. The petitioner has however contended that the proceedings were to continue as regards to prayer No.(ii) relating to issuance of appropriate directions to the Tahsildar for removal of board. The affidavit came to be filed on 19.10.2016 by the then Tahsildar stating that there has been an encroachment of a portion of government land in the layout formed by the petitioner-Society. The report at Annexure 'E' is also a part of the record and it is relied upon by the petitioners who objects to the statements made in the affidavit filed on 19.10.2016.

3. It is settled position of law that when the State seeks to assert the claim as regards a private party with respect to public property, action ought to be initiated under Section 67 if it falls within the parameters of Section 67 or appropriate action as permissible under the law ought to be resorted. It is noted that the proceedings stated to have been initiated before the Karnataka Land Grabbing Prohibition Act, 2011 is by the impleading applicant. The Board however has been put up by the respondent-Tahsildar. The question of continuance of existence of board without initiating appropriate proceedings by the revenue authorities is legally untenable and is to be removed.

4. In light of the observations made above, liberty is reserved to the respondents-State to take action if the case is so made out to recover land if found to be encroached by the petitioners and to take necessary action as permissible under law to protect its interest pending initiating of proceedings as per law.

(51)

5

5. The counsel appearing for the State submits that if the board is removed and third party interests are likely to be created. However, any action of the State should be preceded by an enquiry as contemplated under Section 67, if permissible or by initiating other necessary action as permissible under law. Unless such initiation is made in the light of the dispute raised by the petitioners, it would not be open to the respondents-State to restrict enjoyment of the petitioners' property.

6. The impleading application filed by the respondent has been vehemently opposed by the counsel for the petitioners and in light of the order passed and observations made above, it would not be necessary to pass any orders on the impleading application. Accordingly, the said application is disposed off as requiring no further order.

7. In the light of the observations made above, the Tahsildar to remove the board within a period of ten days from the receipt of the certified copy of this Order.

(52)

6

It is made clear that the observations made here are limited for the purpose of disposal of this petition.

Accordingly, petition is disposed off subject to the above observation.

Respected Sir/Madam,

It is commendable that the District Administration has identified the illegal encroachment on the government road, and conversion of the same land into sites of a layout, in various survey numbers of Lalitadripura village of Mysuru Taluk, by Karnataka Police House Building Society.

Congratulations to the Deputy Commissioner and all the staff of the District Administration for taking this bold step.
